OPERATIONAL ANALYSIS

AlgoForex operates with 2 - 5 Employees in the Revenue Generating stage, currently generating ?1L - ?5L revenue. The business shows characteristics of business depends fully on me, which presents a primary scaling constraint. Transition to structured delegation and documented processes is essential before significant growth targets can be pursued.

STRATEGIC RECOMMENDATIONS & ROADMAP

IMMEDIATE ACTIONS (THIS WEEK)

- !' Identify your single most profitable client segment and focus all energy there.
- !' Establish a weekly revenue and lead tracking dashboard.

30-DAY ROADMAP

- !' Implement a basic CRM (HubSpot free or Zoho) for lead tracking.
- !' Document your top 3 repeatable delivery processes as SOPs.

90-DAY ROADMAP

- !' Delegate one core operational responsibility to a team member.
- !' Launch one consistent outreach or content channel with a weekly cadence.

12-MONTH SCALING PLAN

- !' Systemize all core operations with documented SOPs.
- !' Build a predictable lead engine generating consistent monthly inquiries.
- !' Hire at least one critical role to reduce founder dependency.

STRATEGIC CONCLUSION

CONSULTING PERSPECTIVE

Your business has clear foundational potential. By systematically addressing Inconsistent Leads and building operational infrastructure, the growth targets set for the next 12 months are achievable with focused execution.
